School Bills "up" 30%

How the Increase can be met.

In sympathy with everything else, School Fees have "gone up." The charges at Eton used to be £165; now they are £200 per annum, and it is estimated that the average increase of School Bills over the pre-war standard has been anything from 15% to 30%.

The problem of finding the funds for this higher cost of Education is causing serious concern to parents. The increase is making it impossible, in many instances, for parents to send their sons or their daughters to the schools originally chosen.

There is a very simple solution to the whole difficulty if it is faced early enough. Do not wait until the school age arrives, but, by commencing to make deposits each year while the child is still young, guarantee his fees being available when they are needed.

For example, parent, age 35, deposits £64 18s. per annum (less income tax, saving at 3/- in the £ £9 14s.—net premium £55 4s.) for 13 years on behalf of his boy, now one year old. When the boy reaches the age of 14, £200 per annum will be paid the parent for five years.

Several points must be kept in mind when making such an arrangement:—

(1) The Policy must enable income tax to be saved on the annual premium.

(2) Provision must be made that in the event of the father's death no further deposits are needed, but the Company will contribute instead an annual amount towards the child's preparatory education.

(3) In the event of the child's death before the policy matures, the parent or another child should be able to benefit.

(4) Facilities should be given for the Policy to be kept in force if at any time the annual deposit cannot be paid promptly.

All these advantages can be obtained through the Educational Policy of the Sun Life of Canada.

Larger deposits secure a correspondingly greater return. Smaller deposits—smaller returns. Adjustments can be made for different ages, different amounts or different terms of years. You can make a single deposit, five deposits, ten deposits, whatever number of deposits you like; satisfactory arrangements can be made to suit each individual case.

Here, then, is the ideal way of providing for the boy's education which relieves you of one great responsibility. It shields your boy against circumstances which might otherwise deprive him of a good education.

Why not make immediate enquiries? No obligation is incurred. The information is willingly given and only good can come of the enquiry.

ENQUIRY FORM—or Letter will do.

NEW METHOD OF LEARNING FRENCH OR SPANISH

Latest Achievement of Famous Pelman Institute

"Do you think that you could pick up a book of 400 pages—or even of forty pages—written in a language with which you are unacquainted—say French or Spanish or Italian—and containing no English words at all, and read that book through without once referring to a dictionary?"

"Of course I couldn't," you will reply; "such a thing is impossible."

Certainly it seems impossible. Yet this is just what the new method of learning French or Spanish by correspondence, introduced by the well-known Pelman Institute, now enables you, or anyone else, to do.

Based on an entirely new principle, the Pelman method is simplicity itself, and the very first lesson of either of the Courses will amaze you. There is not a word of English in this lesson, yet you will be able to read it with ease, and you would be able to do so even if you didn't possess the slightest previous knowledge of the language in question.

"After several years' drudgery at school, I found myself with scarcely any knowledge of the French language, and certainly without any ability to use the language. I realise now that this method was wrong. After about six months' study by the Pelman method, I find I have practically mastered the language."

Writes B.143.

"I find the lessons so interesting that I have now decided to go in for the full Course. Whilst my vessel remains in Home Port the available time for study is not so regular as one might wish, but I hope to make up for it when I get away to sea."

Writes N.156.

"I am delighted with the Spanish Course, and find it extremely interesting and easy to follow. The learning of languages is an interesting study, but the hard work usually entailed generally results in the evaporation of interest. Your Course retains the student's interest and teaches him the language; it is without doubt the solution of the problem of the study of Foreign Languages."

Writes S.T.104.

By means of the Pelman method you are taught French or Spanish through the post, and you follow the Course in your spare time. The method is of absorbing interest and fascination, and enables you to acquire a thorough practical mastery of French or Spanish in a few months

There is no need (when you follow this method) to spend hours, days and months studying complicated and dreary rules of grammar or memorising long vocabularies. The language in question is taught *without translation*. There are no French or Spanish passages to be put into English, and no English passages to be put into French or Spanish.

You learn French or Spanish in the natural direct way, just as you would do if you were living in France, Spain or South America.

Write to-day for either (1) "*How to Learn French*" or (2) "*How to Learn Spanish.*" State which book you require and it will be sent, gratis and post free, to any address. Apply to-day for full particulars, to the PELMAN INSTITUTE (Modern Languages Department), 156, Bloomsbury Mansions, Hart Street, London, W.C.1.

LOCAL, TEMPORARY & ACTING RANK, AND TEMPORARY COMMISSIONS, &c.

NOTE—*The names of Officers appointed to temporary commissions, for service in regiments or corps are not shown in this list (vide also note on fly-slip.)*

To avoid duplication of entries, &c., this list does not now contain the names of all officers gazetted to temporary or acting rank for service in staff or other extra-regimental employment or in regiments or corps. A reference to such temporary or acting rank, together with the dates thereof, is only entered against the names of officers in the pages referring to the employment for which the temporary or acting rank is gazetted.

Local, temporary, or acting rank (below that of Colonel) granted to officers whilst holding staff and other appointments, is not shown against their names in the lists referring to the regiments or corps to which they belong.

The names of officers holding honorary rank hitherto included in this list have been transferred to the Supplement to the Quarterly Army List containing the names of officers holding courtesy rank only. This list is in course of compilation.

The Home was constructed and is equipped for 200 girls, and the desire of the Committee is to maintain the full complement.

The need of such an institution is apparent from the fact that there are on an average three candidates brought forward at each election to every one admitted.

The Committee earnestly appeal to a generous public to aid them in the support of the Charity. They also ask for the co-operation in the good work of every Regiment and Corps.

A contribution of but 6d. a year from each Non-Commissioned Officer and Man throughout the Service would provide for the support of a child from every Regiment.

The Home is open to visitors daily between 10 and 5, except on Saturdays and Sundays.

The Committee invite the inspection of all friends of the Soldier.

MILITARY WIDOWS' FUND, BRITISH SERVICE.

This Fund enables a British Service (Army) officer, by subscribing from Rs. 2 to Rs. 4 monthly, to assure, in the event of his death while on the Indian Establishment, immediate payment:—

To his widow ... ... Rs. 3,900 to Rs. 5,100
For each child ... ... ,, 300 to ,, 500

Payments are made immediately on receipt of report of death, irrespective of death occurring in or out of India.

The sum paid to the widow varies with subscription, and the sum for each child varies with age of child. Subscriptions are based on the pay of the officer.

Benefits are payable whether the deceased officer's family is residing in India or not.

It is to the advantage of an officer to join the Fund on his first tour of service in India, as otherwise, on joining it in a subsequent tour he would have to pay subscriptions for any previous tours in the country as a married officer.

The Fund (late Queen's Military Widows' Fund) was established in 1820, to assist families of British Service (Army) officers dying in India, and mainly to enable them to return home without delay.

The Fund is controlled by a Committee consisting of and elected by subscribing officers serving at Army Headquarters, Simla.

For admission and rules apply to:—

The Secretary,
Military Widows' Fund,
Army Headquarters, Simla.

ROYAL CAMBRIDGE HOME FOR SOLDIERS' WIDOWS.

KINGSTON-ON-THAMES.

Patrons.
HIS MAJESTY THE KING.
HER MAJESTY THE QUEEN.
Lady President—THE MARCHIONESS OF CAMBRIDGE.
President—Field-Marshal H.R.H. THE DUKE OF CONNAUGHT, K.G., &c.
Chairman of Committee—Lieutenant-General HON. SIR FREDERICK STOPFORD, K.C.M.G., K.C.V.O., C.B.
Deputy Chairman—Colonel SIR AUGUSTUS FITZGEORGE, K.C.V.O., C.B.
Hon Treasurer—F. W. STEPHENSON, Esq., 440, Strand, W.C.2.
Secretary—Lieutenant-Colonel A. C. FRYER. 5, York Street, St. James's Square, S.W.1.

This Home (opened in February, 1854) was founded in 1851, in memory of H.R.H. Adolphus Frederick, Duke of Cambridge, K.G., to provide a home for widows of Non-Commissioned Officers and Privates of the Army. They are not to be under 50 years of age, but there is no restriction as to religious persuasion.

Since its opening, 401 widows have been elected. There are 70 widows in the Home in addition to 15 widows receiving pensions. Each inmate has a furnished room, and receives ten shillings and sixpence a week and a monthly allowance for coal.

The funded income of the Charity yields only about £3,500 a year, while the estimated annual expenditure is about £4,200.

The Committee make an urgent appeal for additional subscribers, as every year a considerable number are lost through death.

Most Corps, Regiments and Regimental Depots make annual subscriptions; but the Committee have also relied upon retired officers, and it is to them that a special appeal is made.

Every person subscribing half-a-guinea annually is entitled to one vote at each election, and a donation of five guineas ensures one vote at each election throughout life.
